Sir:

This is submitted in response to the Official Action dated July 12, 2005.

The Applicants acknowledge the obviousness-type double-patenting rejection of Claims 21 and 22 over Claim 3 of U.S. Patent No. 6,902,632 and Claims 1 – 5 of U.S. Patent No. 6,702,904. The Applicants enclose a duly executed Terminal Disclaimer, request that it be entered into the Official File and that the obviousness-type double-patenting rejection of Claims 21 and 22 be withdrawn.

The Applicants acknowledge the statutory double-patenting rejection of Claims 21 and 22 over Claims 21 and 22 of commonly assigned Serial No. 10/031,426. The Applicants are expressly abandoning that Application and enclose a copy of the Express Abandonment for that Application for the Examiner's convenience. The Applicants accordingly respectfully request that the statutory-type double-patenting rejection be withdrawn.

In light of the foregoing, the Applicants respectfully submit that the Application is now in condition for allowance, which is respectfully requested.

Respectfully submitted,

T. Daniel Christenbury, Reg. No. 31,750  
Attorney for Applicants
